

Infopop Welcome Email - Original

WELCOME ABOARD!

Your new OpenTopic is Live and is ready for you to move in and make it home.

Here are the important URLs you'll need to keep handy. If your email package does not highlight the links, please paste them into your browser's address bar.

<http://beckykaplan.infopop.net/OpenTopic/page/a/cfrm/s/268093012>

or:

<http://beckykaplan.infopop.net>

ADMINISTRATIVE FUNCTIONS

You'll need to log in to administer OpenTopic. We have created an admin user account for you.

The username is: Admin

The password is: xxxxxx

We suggest you go to the site settings page to set up site wide options for your site:

<http://beckykaplan.infopop.net/OpenTopic/page/a/asts/s/268093012>

We also suggest you change the names of the default forums on your site:

http://beckykaplan.infopop.net/OpenTopic/page/a/admn/a_admn/forums/s/268093012

Are you upgrading to OpenTopic from an existing Ultimate Bulletin Board? If so, you can transfer your members and messages from the following page:

<http://beckykaplan.infopop.net/OpenTopic/page?a=aimprtcntnt&s=268093012>

Our hosting operation is organized into clusters. We maintain and monitor each cluster separately. For your reference, your site is in the 'egypt' cluster.

INFORMATION

For information about OpenTopic, tips on how to use it and discussion with other OpenTopic users, please visit:

<http://community.infopop.net>

Here is the place to find answers to your set-up questions and news about product updates. Look for a special 'OpenTopic Customer Updates' forum for you there.

Be sure to bookmark the OpenTopic Knowledge Base where common questions

are answered.
